
Kelly Valette

Advancement Committee
Co-Chair

I graduated from Washington College in MD with my BA in Education, which is where I found my passion for higher education. I began as a student tour guide and represented WC at my first college fair in 2017, and the rest is history. I served as the Assistant Director of Admissions/Athletic Liaison after graduating in 2018 for a few years, then went on to serve as the Assistant Director of Admissions/Fly-in Coordinator at High Point University in NC. Currently, I am a College Counselor at Archbishop Spalding High School in Severn, MD. I always wanted to help educate students on the process of applying to college and help them find their homes for the next four years! I also serve as Co-Chair on the PCACAC Advancement Committee. In my free time I love to run and spend time on the water!
