

PCACAC Potential Bylaws changes for Spring 2018

There is one proposed Bylaw change for the Spring 2018 Membership meeting.

Proposed Change:

Change the wording of *Article VI: Dues* to reflect similar wording to NACAC's *Article VI: Dues*

The initial proposal was submitted by the Treasurer and members of the Presidential cycle in consultation with the NACAC national office and is supported by the Presidents Council.

The proposed Bylaw change was announced at the PCACAC membership meeting at the NACAC National Conference in Boston, MA, September 2017.

Current wording:

Article VI Dues

With the exception of Special Recognition Members, membership in PCACAC requires the payment of annual dues. The annual dues of PCACAC shall be recommended by the President's Council and approved by the membership at a membership meeting. The amount of those dues may vary between voting and nonvoting members.

Proposed Change:

Article VI Dues

The President's Council shall establish annual membership dues for voting and nonvoting members and categories thereof.
