

The Potomac and Chesapeake Association for College Admission Counseling (PCACAC) is proud to include more than 900 members at over 450 colleges, schools, organizations, to include independent counselors – all who work with students and families from the [region](#) and beyond to help navigate their transition to college. As part of membership, professionals involved with PCACAC agree that their institution will be in full compliance with the National Association for Admission Counseling (NACAC) and its [Statement of Principles of Good Practice](#) (SPGP). For questions about membership, please visit the Member Information section at www.pcacac.org.

As of September 2017, professionals from the following institutions are members in good standing:
